

Hosted by our board of directors, the Vision Awards Dinner is an annual event recognizing Wooten supporters whose contributions made a significant impact at the center. We also present achievement awards to Wooten youth for academic excellence and good citizenship.

The Vision Awards Dinner is our largest annual fundraiser. Your support will help us continue our work supporting more than 300 youth this year in our free afterschool and low-cost summer programs preparing our students for higher achievement.

This year our dinner theme is "Building Success." It coincides with our 2017 Summer Fun Camp theme, "Arts and Architecture." Dinner guests will have an opportunity to help provide scholarships for students to attend the six-week summer camp featuring project-based lessons in art history and architectural design.

We chose the award-winning Pacific Design Center for its high architectural value. With nearly 100 boutiques featuring high quality interior designs, this stunning showcase center provides our students with endless possibilities in the world of arts and architecture. PDC was designed by Cesar Pelli, recipient of the American Institute of Architect's highest individual honor, the Gold Medal. Another great role model!

The Wooten Center is celebrating 27 years of service. We honor our founder Myrtle Faye Rumph for her legacy and thank our Board of Directors and Advisory Board for hosting this event to make our programs possible. Thank you to our sponsors, parents, partners and other friends for your support. Thank you to our staff, youth and volunteers for their work on this event. Thank you Wooten Family for catching the vision!

AWARDS DINNER & AUCTION

CELEBRATING OUR *27th* ANNIVERSARY!

HONORING
THOMAS McCARTHY
CO-PRESIDENT, McCARTHY COOK & CO.

THURSDAY, JUNE 8, 2017, 6-9PM
SPECTRA RESTAURANT AT PACIFIC DESIGN CENTER

The Wooten Center is pleased to present our 24th annual Vision Award to Thomas McCarthy, Co-President of McCarthy Cook & Co.

Tom is a long-time donor at the center and is very passionate about helping youth. For almost a decade, he has served on the board of directors for Junior Achievement of Southern California. In addition, every Tuesday, Tom uses JA curriculum and his background in real estate development to volunteer teaching Hancock Park Elementary students how to create sustainable communities.

Through his real estate development firm, Tom is currently helping us develop plans to improve and expand our youth center facilities. We appreciate his volunteer and financial contributions building success for our students, providing a great role model in the fields of commercial real estate, green advocacy and more.

For more information on our honoree, visit www.mccarthycook.com.
